REMARKS.—The market is unsettled, there being a diversity in the views of buyers and sellers. Flour is firm, and has advanced 25c on last quotations. Wheat is nominal, the receipts being very light, and the transactions not warranting accurate quotations. Corn has improved, closing firm at an advance. Offerings light—reaching only 1200 bushels—which changed hands at 96 1/2c. Rye unchanged. Oats quiet, with very light offerings. Wool quiet, with a downward tendency.

LOCAL NEWS.

WEDNESDAY EVENING, JUNE 26.

CITY COUNCIL.—Last night was the regular night in course for the meeting of the City Council, but there was no quorum in the Board of Aldermen, and consequently that board was not in session. In the Common Council a report from a special committee relieving Mr. Thomas Javins from the payment of a judgment of \$1,000 obtained against him by the corporation upon the payment of costs, attorney's fees, &c. by him, was adopted. An appropriation of \$200 to aid the Hook and Ladder Company was made. The petition of the President of the Friendship Fire Company asking a revision of the fire laws, in conformity with the recommendations of the late Firemen's Convention, was referred. An order was adopted for an election, at the next meeting of Council, of a Dispenser of Medicine to the Poor. Bills of W. L. Milburn and D. L. Smoot were ordered to be paid, and a petition of J. L. Green was referred.

RELIEF FOR THE SOUTH.—The following, with other articles, have been received at this place, by Lewis McKenzie, Esq., from persons in Loudoun and Fauquier counties, to be forwarded South, for the suffering poor: 23 bags from Dr. West, B. Paxon and R. G. Bowie, from Dr. M. Silcott, of Leesburg; from The Plains, Fauquier county, from Mrs. L. H. Foster 5 bags, T. T. Smith 1 bag, E. Carter 3 bags, and F. Williams 5 bags; 3 bags from W. K. Skinner, and 43 bags from Fenton Farr, of Piedmont, Fauquier county; B. F. Taylor, of Hughesville, Loudoun county, sends down 124 sacks of corn, 17 pieces of bacon, and \$6 in money. Yesterday 29 bags of corn were received from Hess & Janney, and 24 bags from Janney & Slaymaker, contributions from various parties. All but the two last parcels reached here in time to be shipped yesterday, when Mr. McKenzie cleared the schooner Vapor, having on board 420 bushels of corn and 1 box and 1 tierce of bacon, for Charleston, to be distributed among the destitute by Dr. W. S. Plummer and others.

THE WHEAT.—Accounts from the upper counties, where the wheat has not been harvested or is not sufficiently ripe to be cut, represent that much damage has been sustained by the very unfavorable weather of the past few days, and that the crop in the Valley, and north of the Manassas Road, is supposed to be somewhat injured. It is estimated that the crop throughout the State will be curtailed upwards of one million bushels. In the Southern part of the State where the harvest was early, the wheat is very fine, and sustained no damage, but in other portions of the State, and where the grain is late in ripening, the weather has been unpropitious, and the crop will be much lessened.

BASE BALL.—The first series of home and home games for the championship of the city, was played yesterday evening between the Pioneer and Old Dominion, resulting in a victory for the former club by a score of 30 to 21. Up to two o'clock yesterday it was uncertain whether the game would be played on account of the weather, so much so that the Pioneers were disposed to surrender the ball and make arrangements for a match at some future time. It was ascertained that the grounds could be put in suitable condition in a short time. Brenner and Stone determined to try their respective nines, regardless of the heavy clouds. The nines assembled on the grounds of the Pioneer a little before three. The Old Dominions winning choice put the Pioneers to the bat at 3.15. They led off with a score of 3 for their first innings—followed by the Old Dominions, who scored 2; 2d inning both clubs retired on a round 0. At the beginning of the 3d inning the Pioneer took the lead, scoring 4, to the Old Dominion 0. They kept their game up, going ahead each inning to the 8th, when both clubs again retired with an 0 as score. In the 9th and last inning the old Dominion tried hard to make an even score, but want of practice at the bat kept them down, and the game ended with the final score, 30 to 21.

The game was one of the most interesting we have ever witnessed in Alexandria, and we expect the return game will be warmly contested. The Old Dominions having held the championship during the last season, and never before having been beaten, will hardly let a score 9 ahead discourage them: while the Pioneers, equally proud of their success, will endeavor to place their best men in the field.

As stated above the game was won by the Pioneer club, by a score of, Pioneer, 30; Old Dominion, 21.

Fly catches—Old Dominion, 6; Pioneer, 2; called balls—Pioneer, 37; Old Dominion, 18; time of game, 3 hours; umpire, Mr. A. A. Warfield, of the Mount Vernon; scorers, Messrs. Summers and Williams.

FIRST WARD RADICALS.—There was a meeting of the First Ward Inevitable Club last night, George C. Hayes, President in the Chair, and W. W. White, Secretary. A Committee was appointed to canvass the Ward, and see that all the members of the party were registered. Addresses were delivered by Parton and Coleman and others. After which the meeting adjourned to meet again next Tuesday night.

MISSIONARY MEETING.—The anniversary meeting of the Episcopal Missionary Society will be held in St. Paul's Church, this evening, at 7 1/2 o'clock. The address will be delivered by Rev. O. A. Kinsolving—and the collection taken up will be appropriated to the support of the scholars.

TO-MORROW is the last day for Registration in the First and Fourth Wards. Those who can register, therefore, should take due notice thereof, and govern themselves accordingly. Let no man look to what Congress may do hereafter; but regard only the law and his duty at the present time.

REGISTRATION.—In the First Ward up to 1 o'clock to-day, there had been registered 242 white, and 231 colored, 21 white had been placed on the challenged list. In the Fourth Ward the books show that there had been registered 404 colored, and 141 white, with 49 white on the challenged list.

SPEECH OF AN ALEXANDRIAN.—The telegraphic dispatch from Montreal, Canada, in giving an account of the Young Men's Christian Association Convention, says: "Mr. Frank, of Alexandria, Va., said that, having been born in the South, and coming from it now, he felt under obligations to say for his people that they, the Christian people of his State, feel that a Christian spirit had not been sufficiently powerful in years past in the Southern State councils. The people feel that they want reconstructing in a Christian spirit, and desire the prayers of their brethren here."

LADY OF THE LAKE.—The yacht Lady of the Lake, just rebuilt in the warehouse of Mr. Townsend Fendall, will soon be ready for a pleasure trip to the lower Potomac and the islands in the Chesapeake. A party of gentlemen from this city, who admire the delights of river and bay fishing, intend to make a trip in her during the next month.

WASHINGTON ITEMS.—Dr. Wm. Jones, formerly, under the administrations of Gen. Jackson and Mr. Buchanan, Postmaster of this city, died yesterday in the 78th year of his age. A man named Wm. Hill has been arrested and committed to jail charged with revolting and disgusting offences against public decency.

Among the spectators in the court room yesterday was Robert Lincoln, son of the late President, who listened with much interest to the details of Booth's death, as given by the witnesses in the Surratt trial. In the Board of Aldermen, yesterday, Mr. J. R. Evans introduced two bills, one providing for the organization of public school for the education of colored children, and another defining the qualifications of employees of this corporation, which provides that all work done by the corporation shall be subject to competition by any citizen, without distinction on account of race or color: that no contractor shall make discrimination in employing workmen on account of race or color, and that no contract shall be made with any person who left this city to give aid and comfort to the rebels. Both bills were referred. The Board of Common Council passed a resolution exonerating from the journal, by drawing black lines about it, a resolution of last session censuring Mr. S. J. Bowen, a radical, who had written an offensive letter to the former Board.

EPISCOPAL CHURCH MATTERS.—The sum of \$509.41 has been contributed to aid in rebuilding Zion Church, at Fairfax Court House, destroyed by Federal troops during the late war.

At a meeting of the Standing Committee, held June 22, Messrs. H. E. Haylen, and W. G. Stewart, were recommended for Deacon's Orders. The consent of the Standing Committee was given to the consecration of the Rev. J. Freeman Young, Bishop elect of Florida.

Leeds Parish, Fauquier, which was so despoiled and injured during the war, has contributed for destitution in the South, more than 300 bushels of corn, and nearly \$100 in money. This is the same parish, where the gentlemen have pledged their silver if necessary, to pay their minister.—Southern Churchman.

[COMMUNICATED.]

SUNDAY SCHOOL CONVENTION.—At a meeting of the Sunday School Society of the M. E. Church South, of Richmond and vicinity, held in the month of May, the following preamble and resolutions were adopted:

WHEREAS, in the opinion of the Board of Directors of the Methodist Sabbath School Society of Richmond and vicinity, a Sabbath School Convention would be promotive of general interest, and deemed it practicable.

"1. Resolved, That a State Sabbath School Convention of the Methodist Sabbath School Society of Richmond and vicinity, be held in the city of Richmond, Va., on Wednesday, August 7, 1897.

"2. Resolved, That the Sabbath Schools and Sabbath School Societies of the Virginia Conference, and other Conferences of the M. E. Church South, in the State of Virginia, be invited to representation by a delegate from each circuit and station, and as many delegates from each society as there are schools represented in its organization.

"3. Resolved, That the Corresponding Secretary be instructed to issue this call, giving all necessary information in regard to said Convention, asking an immediate election of delegates and notification of the same."
